John C. Garand

M-1 RIFLE MATCH

A great introduction to High Power rifle shooting, **open to anyone shooting the service grade M-1 Garand, 1903 Springfield, 1917 Enfield or 1941 Johnson service rifles. Vintage foreign military rifles are permitted**, however, ammo for them is not furnished. Multiple shooters can use the same rifle by firing on different relays. Firing will consist of 55 rds fired slow fire offhand, rapid fire sitting, rapid fire prone and slow fire prone.

As with our regular High Power match, several experienced shooters will be on hand to assist, either newcomer or the more experienced shooter with questions or problems. Our aim is to provide a safe learning atmosphere, improve your scores and have fun. While at the same time we will hopefully reduce the anxiety of doing something new and different.

For more specific details check out www.CentralJerseyHighPower.com “What is NRA High Power Rifle?? as well as information on our club's regular monthly High Power Matches, M-1 Garand Matches, High Power Clinics or High Power shooting in general.

John Donald 732-410-9999 or jd1041@juno.com

All participants at least 18 years
old will qualify to purchase an
M-1 Garand
from the CMP!
